Phone: (205) 664-9313

Contact: Jeannine Lyons, Director

info@thearcofshelby.org

Services: The following:

1. Community Living

Services include community education, individual advocacy, resource assistance, futures planning, and basic information and referral. The Community Specialist shall be the point of contact for information and referral for families of individual(s) served in Shelby and Chilton Counties. The request may be referred to other staff depending upon the type request received. Efforts will be made to ensure that The Arc of Shelby County, Inc. is known as a source of information to other service agencies in the counties, and to county citizens at large. Additional supports and services include educational workshops, public awareness, outreach and community inclusion for individuals with delays and disabilities and their families.

2. Children's Services

- a. Early Intervention Program provides services for infants and toddlers with developmental delays residing in Shelby County, Alabama. The Early Intervention Program of The Arc of Shelby County, Inc. is an approved provider through the Alabama Early Intervention System and, as such, abides by eligibility guidelines and mandated requirements of that system. The ultimate outcome of the service is to assist children, birth to age three, reach developmental milestones on as typical a schedule as possible while assisting/guiding parents to be their child's primary teacher and coach.
- b. Additional supports and services include Tales for Tots, Lending Library, and Autism Diagnostic Clinic.

3. Employment Services

Employment Program serves individuals with developmental disabilities residing in Shelby County, Alabama, and other surrounding areas when provided written request to obtain and maintain community employment with the assistance of Employment Specialists and when necessary, long-term employment supports. All employment outcomes are community-based and must lead to community integrated, independent employment.

4. Project SEARCH

Project SEARCH, a program of Employment Services, provides employment skills training to high school-aged students in Shelby County with significant disabilities in their exiting year of high school. This program is a partnership between The Arc of Shelby County, Shelby County school systems and Shelby Baptist Medical Center.

5. Pre-Employment Transition Services

Pre-Employment Transition Services (Pre-ETS) are services designed to assist students in grades nine through graduation gain pre-readiness skills and knowledge of employment opportunities. It can include programs such as Smart Work Ethics, which is a multiple module program implemented in a classroom or individual activities such as workplace tours, summer employment camps, pre-employment skills training and others.

B. MEDICAID HOME AND COMMUNITY BASED WAIVER SERVICES

1. Personal Care Service (Hourly Services)

Some individuals require specialized care and support to live independently. The needs vary from person to person and are identified in consultation with the individual, family, Community Living personnel and occasionally other service providers. The ultimate goal of this service is to provide the supports to meet the individual needs and expressed goals of the person receiving this service.

2. Supported Employment (SE)

Similar to services provided through Employment Services (but funded through alternate agency), Supported Employment supports individuals with developmental disabilities residing in Shelby County, Alabama to obtain and maintain community employment with the assistance of Employment Specialists including necessary long-term employment supports. All employment outcomes are community-based and must lead to community integrated, independent employment.
